"How The Other Half Loves" 1976

Ron Halpin, Sherry Barnes and Alan Cooke

^

Other cast were Pat Faircloth, Malcolm and Maureen Dye. The production was directed by Shirley Halpin. The play was about three couples, on different levels of the "professional and social ladder". Ron and Sherry, Malcolm and Maureen Dye in the middle, Alan Cooke and Pat Faircloth at the top..all men work at same company with Ron struggling to climb further up. He and Sherry, as his painfully shy, socially inept wife attend dinner at both couple's homes..at the same time! i.e. Ron and Sherry were on swivel chairs in the middle of the table and had dialogues and dinners at both homes simultaneously, turning our chairs appropriately.
