'And Then There Were None' by Agatha Christie

Ten people arrive on Soldier Island, invited by an unknown host.Â Each of them has a secret to hide and a crime for which they must pay.Â The strangers include a reckless playboy, a troubled doctor, a formidable judge, an uncouth detective, an unscrupulous mercenary, a God-fearing spinster, two restless servants, a highly decorated officer and an anxious secretary.Â One by one they are picked off, their fates eerily mimicking the ominous nursery rhyme hanging in each room â€Ten Little Soldiersâ€™.Â Will anyone survive? Who is the killer?
